RCI Skills Center Course Descriptions 2023-24

BCOR 105 - Foundations of the Business Enterprise – This course will help students gain a solid understanding of the components of a business, its external environment, and the interactions between them. Students will engage in decision making and problem solving in that setting. Ethics, leadership, employee empowerment, the impact of technology, and the global market are topics of discussion. Students will develop critical thinking, written and oral communication, and team skills through case-based learning and a term project. Gannon University

CRJS 110 - Introduction to Criminal Justice - This course introduces students to the field of criminal justice through the examination of police, courts, and correctional arenas. It includes a review of historical data, statistical information, and evaluation of criminal justice system policies, procedures, and trends. Students learn the terminology of the field, gain an awareness of the methods of inquiry utilized in the field, and have the opportunity to examine personal attitudes and values regarding crime and responses to crime. Gannon University

HIST 222: History of the US from 1865 to Present – Reconstruction, the development of the Industrial Revolution, Immigration and the role of Minorities, the Progressive movement, World War I, the Great Depression, the New Deal, World War II, the Korean War, the Civil Rights movement and the post-Cold War era. Gannon University

ECON 105 – Microeconomics - A study of mixed capitalism in aggregate form designed to provide the student with a knowledge of the American economic system. Topics include the causes of recession, unemployment, inflation, and the uses of fiscal and monetary policies. Mercyhurst University

ENG 101 – Foundations of Academic Writing (Formerly College Composition) – The principles of logic, rhetoric, and language and their use in written discourse. Application of these theories to numerous reading and writing assignments. Much attention to basic writing skills. Gannon University

ENG 101 – Western Classics - A study of major writers of the Western World from ancient to modern times, with attention given to their individual achievement and to their contribution to Western literary and cultural development. Mercyhurst University

LHST 111 - History without Borders – The most important ideas, issues, problems, and developments that mark the changing fortunes of the West's interaction with the world from the Seventeenth Century to the present. Gannon University

MATH 111 NU – Introduction to College Algebra. This is an online course. Gannon University

MUS 107 – World Music/Jazz History - This course is designed to broaden the student's knowledge and appreciation of non-Western music and jazz, with emphasis on representative works from the world's major cultures and the African origins of jazz. It provides a brief introduction to the musical elements of style and performance from a variety of non- Western cultures and jazz. Mercyhurst University

POLI 111 - US Government and Politics – Constitutional foundations of U.S. Government; structure and functions of Congress, the Presidency, the judiciary; administrative institutions and processes, interest groups and political parties; political behavior, and the electoral process. Gannon University

RCI Skills Center Course Descriptions 2023-24

POLI 133 – Introduction to International Relations - Introduction to the nature of international relations, focusing on the role of the state and international institutions; the role of ideology and culture in international affairs; and the nature of the world economy and the process of globalization. Gannon University

PSYC 111 - Introduction to Psychology – An introduction to the principle theories and methods used by psychology to explain human personality, behavior and adjustment. Gannon University

PSYC 222* - Psychology of Human Development – An investigation of the theories and research findings related to the understanding of complex behavior as it evolves throughout the lifespan. **Prerequisite: PSYC 111.** Gannon University

SPCH 111 - Public Speaking – This course introduces both the theory and the practice of public speaking in a variety of contexts. Students will develop the communication skills necessary to analyze verbal discourse and perform effectively in a variety of public speaking situations. Gannon University

SPRT 130 - Nutrition for Sport and Exercise – This course is designed to introduce the concepts of proper nutrition with specific concentration given to the promotion of and maintenance of optimal physical performance both at the elite as well as recreational levels. The course will discuss such topics as the role of carbohydrates, protein and fat in exercise and sport; vitamin and mineral intake and exercise; the role of fluid intake and electrolytes in physical activity; nutrition and fitness assessment, ergogenic substances in sport and exercise and the myths of the fad diet craze. Gannon University
